## Why Choose Precaution Healthcare?

### PREMIUM LATEX COMPOSITION

Crafted from high-quality natural rubber latex, our gloves ensure unmatched durability and flexibility for reliable performance.

### ENHANCED GRIP & SENSITIVITY

The micro-roughened surface provides a non-slip grip and optimal tactile sensitivity, ensuring precision when handling instruments.

### ANATOMICAL COMFORT

Featuring curved fingers and a beaded cuff, these gloves are designed to enhance comfort and safety during prolonged use.

### STRICT SAFETY & COMPLIANCE

Sterilized with Ethylene Oxide following ISO 11135 standards, our gloves meet the stringent requirements of ASTM D 3577, EN455-1/2/3, ISO 10282:2014, and IS 13422, with full adherence to GMP.

### CDSO & ISO 13485 CERTIFIED

We have been certified according to ISO 13485 for our Medical Device - Quality management System
